

Varsity Pass auf! - Houstonfest 2026

1 st		For 3 rd and 4 th , between the losers of V8 and V9, the team with the higher <u>average</u> score in all their games played (which could be 2 or 3 games) is 3 rd , and the other team is 4 th . For a tie, prefer the team that had the highest score in any single game. If that is tied, flip a coin.
2 nd		
3 rd		
4 th		Remaining to be ranked are 7 teams with records of either 1-1 or 0-1. Assign all the 1-1 teams, if there are any, to 5 th , 6 th etc. based on their total points scored in the 2 games they played. For ties, prefer the team that had the highest score in any single game. If that is tied, flip a coin.
5 th		
6 th		
7 th		Then assign the 0-1 teams to the final places based on their score in the game they played. For ties, flip a coin.
8 th		
9 th		
10 th		If you can think of a better tiebreaker than flipping a coin, feel free to apply it.
